Bank Transfer Setup

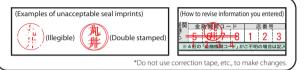

Setup by postal mail

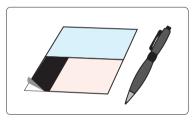

How to complete and return

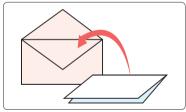

Complete the required fields and return using the enclosed Return envelope after affixing the seal you use for transactions with your financial institution.

- *To revise information that you have entered, use double lines to strike through the information and affix your seal before entering the correct information.
- *Setup by postal mail may take between one month and one and a half months to complete.
- *Any financial institution in Japan can be used. (Excluding ShinGinko Tokyo and The Norinchukin Bank)

 After completing, detach along the dotted line.

 Place in the enclosed Return envelope (pink color).

Place in the post.

^{*}Please be aware that payment is due on the 27th of the month.
